

SPECIAL PROCESSING PRICE LIST

OVERAGE REQUIREMENTS

Due to working loss in all finishing processes, an additional 5% overage should be added to your original fabric requirement. For orders 15 yards and less we recommend you add 1 yard.

We offer all Alta™ Stain Resist Finishes including alta food & beverage, alta healthcare seating, Alta guest room seating and Alta dwr (PFAS-Free). Contact customer service for more information, 800-223-5466 or inquire@arc-com.com

1 - 75 yds: US \$225.00 minimum charge
76+ yds: US \$2.95 per yd.

SPECIAL WALLCOVERING BACKING WITH STAIN RESIST FINISH

It is recommended that a special acrylic backing be applied when an upholstery fabric is being utilized as a wallcovering. These fabrics must also be treated with a stain resist finish:

1 - 56 yds: US \$225.00 minimum charge
57+ yds: US \$3.95 per yd.

FLAMEPROOFING

WOVEN TEXTILES

We offer an FR treatment for most woven fabrics that will enable them to pass ASTM E84 Unadhered for Panel and Headboard use and NFPA 701 for drapery. This treatment will also allow them to pass IMO Requirements for use on cruise ships.

Flameproofing:

1 - 39 yds: US \$125.00 minimum charge
40+ yds: US \$3.25 per yd.

Flameproofing for Sunbrella:

1 - 17 yds: US \$125.00 minimum charge
18+ yds: US \$7.50 per yd.

COATED FABRICS

We offer an FR treatment for all coated fabrics; Vinyl, Polyurethane, Silicone, that will enable them to pass ASTM E84 Unadhered for Panel and Headboard use. This treatment will also allow them to pass IMO Requirements for use on cruise ships.

Flameproofing:

1 - 37 yds: US \$225.00 minimum charge
38+ yds: US \$5.95 per yd.

OVERAGE REQUIREMENTS
