California Proposition 65 Disclosure Warning:

Some vinyl & polyurethane products may contain chemicals, including PVC, identified by the State of California as a cause of cancer, birth defects or other reproductive harm at certain exposure levels. Under the California law known as "Prop 65", certain warnings to consumers in California are required where such products are sold or may be installed. If your company intends to introduce vinyl & polyurethane products into commerce in California, Arc-Com recommends that you take steps to confirm whether the warning requirements of California's "Prop 65" are applicable to the products in question and whether your company is complying with those warning requirements for the chemicals contained within these products.
