Samples For the complete selection of patterns and colorways and/or samples of our specific fabrics visit our website at arc-com.com. See Arc|Com Textile samples for specific technical data. This card represents only a select sampling of the Arc|Com fabrics available.

Note Multiple factors affect fabric durability and appearance retention, including end-user application and proper maintenance. Wyzenbeek results above 100,000 double rubs have not been shown to be an indicator of increased lifespan.
