

INTRODUCING
**THE REFLECTION
COLLECTION**

Arc|Com

The **Reflection Collection** draws its inspiration from the natural world and the effects that natural elements can have on our wellbeing. Following the tenets of Biophilic design; sunlight, water and earth inform the design and color choices for this three-pattern, color coordinated grouping.

The privacy curtain pattern Daybreak-X can be paired beautifully with two supporting phthalate free vinyl patterns, **Terra** and **Rainfall**.

DAYBREAK-X

- 72" Privacy Curtain
- X-STATIC® Silver Antimicrobial Technology
- PFAS Free

TERRA & RAINFALL

- Bleach Cleanable
- PFAS Free
- Proposition 65 Compliant

DAYBREAK-X

Content 59% PCR Polyester, 34% FR PCR Polyester,
4% Polyester,
3% X-Static® Silver Antimicrobial Fiber

Environmental PFAS Free (including PFOA & PFOS Free)
Proposition 65 Compliant
REACH Compliant
RoHS Compliant
Contributes to LEED Certification
Recycled Content

Application Privacy Curtain, Drapery

Colorways 6

Samples arc-com.com/daybreak_X

TERRA

Content 100% Vinyl Face, 100% Polyester Back

Environmental PFAS Free (including PFOA & PFOS Free)
Proposition 65 Compliant
REACH Compliant
RoHS Compliant
Low VOC's

Finish Permablok®

Cleaning WS, Bleach Cleanable

Abrasion 300,000 double rubs

Application Upholstery

Colorways 20

Despite the steps taken to reduce HAIs, they still remain one of the world's leading and most costly healthcare challenges. Most are preventable. All are extremely harmful in human and financial terms.

X-STATIC® is the leader in antimicrobial fabric technology and is clinically proven to inhibit the growth of bacteria on textile surfaces.

- X-STATIC fibers are permanently bonded with a layer of 99.9% pure metallic silver.
- X-STATIC is not nanotechnology or a complex chemical formula, just silver.
- X-STATIC creates an ionic shield that permanently inhibits the growth of bacteria and fungi.
- Privacy curtains made with X-STATIC fibers are flexible with the natural look and feel of traditional textiles while offering all the benefits of pure silver.
- X-STATIC is the active ingredient in Federal Drug Administration (FDA) approved products for advanced wound care and has undergone extensive safety testing. X-STATIC is also a registered antimicrobial agent with the Environmental Protection Agency (EPA).
- X-STATIC cubicles have been tested after 200 commercial launderings with virtually no reduction in performance.
- No unnecessary medical waste in the environment or disposal fees as compared to disposable curtains.
