

INTRODUCING
SEDONA

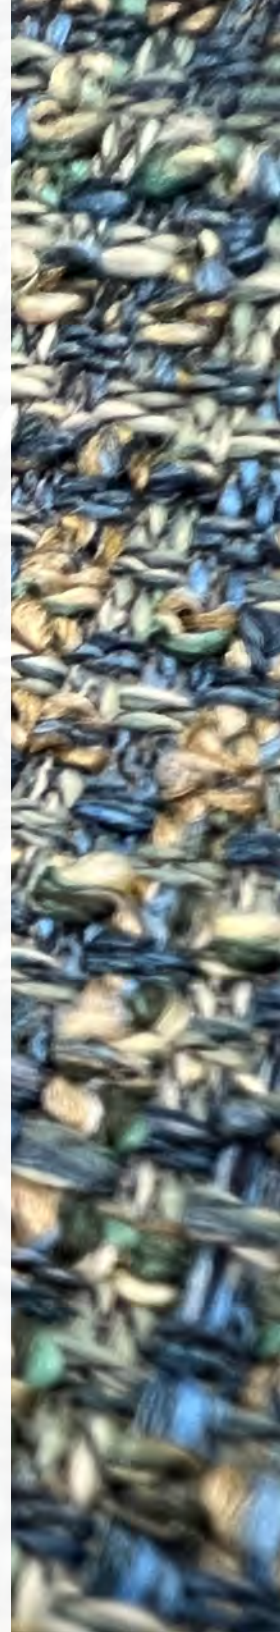

Inspired by the natural sandstone surfaces and palettes found in majestic Sedona, Arizona, pattern **Sedona** offers designers a unique multicolored texture.

Woven utilizing a twisted, space-dyed, boucle yarn that runs in both the warp and weft direction, **Sedona's** surface is multi-toned and highly dimensional.

With its ability to be cleaned with bleach and its high abrasion result, this gorgeous, versatile, high performance texture can be used to enhance a myriad of interior spaces!
