

INTRODUCING  
**TAILORED**

Arc Com

An elegant, structured, high performance polyurethane, pattern Tailored is a modern classic - a perfect companion to everything from statement hospitality patterns to privacy curtains.

The image shows four horizontal rolls of fabric, stacked from top to bottom. The colors transition from a dark blue at the top, through a teal, to a medium green, and finally a light green at the bottom. Each roll has a fine, woven texture. A white rectangular box is positioned at the bottom left, containing the text 'HEALTHIER HOSPITALS COMPLIANT'.
